Versatile electrical all-rounder for small households:

WMF KITCHENminis 6-in-1 multi-functional cooker

Cooking which is quick and varied but also healthy can be a real challenge. When everyday life gets too stressful, the WMF KITCHENminis 6-in-1 multi-functional cooker brings relaxation to the kitchen. The new space-saving, time-saving, versatile electrical all-rounder from WMF is not only perfect for small households, it also provides effective support when cooking.

The compact WMF KITCHENminis 6-in-1 multi-functional cooker is designed for virtually any application and is perfect for smaller households. With power of 800 Watts, capacity of three litres and four preset and two adjustable programmes, it is ideal for convenient cooking in small spaces. It is perfect for pressure cooking, slow cooking, steaming and boiling rice and pulses, an all-rounder which makes everyday cooking simpler and quicker.

A safety valve and a pressure relief valve, a special seal, a side-opening locking handle and a heat-insulating Safety Touch casing made of high-quality Cromargan® casing ensure maximum safety, as certified by GS. When a product is awarded the German GS (tested safety) mark, this guarantees that it fully complies with the requirements of product safety legislation. In this way, on the one

hand WMF is offering its partners some important selling points, and on the other it is enabling its customers to fully concentrate on preparing food with peace of mind.

The WMF Easy Handling with its intuitive rotary button also guarantees it is incredibly easy to use. The multi-functional cooker also has a practical six-hour keep-warm function and allows cooking start times to be delayed by between one and twelve hours. This ensures maximum flexibility.

Cooking with the WMF KITCHENminis 6-in-1 multi-functional cooker is also very healthy. With cooking times reduced by up to 70 per cent, vitamins and minerals are preserved and aromatic flavours retained. This makes this all-rounder ideal for vegetarian and vegan food.

The product also includes a removable, dishwasher-safe pot with non-stick coating, a steaming basket and stand and a measuring jug.

* WMF Group recommended retail price

Please note:

For trademark reasons, the name of this product family always has to be given in full as "WMF KITCHENminis"!

About the WMF KITCHENminis range

Healthy food, gentle preparation, downsizing and increased efficiency – less is more. The WMF KITCHENminis were developed to achieve substantial space saving, reduce the consumption of valuable resources and save energy. Intuitive operation and the ability to make individual portions are just some of the features of this series. The compact, electrical small kitchen appliances are the perfect companion in the modern kitchen, and not just for one or two-person households. There are currently 33 products in the WMF KITCHENminis range.

About the WMF brand

The WMF brand has been setting standards with its innovations for more than 160 years. It is also an important source of inspiration within the market. Its products whet your appetite for wonderful food experiences with their exceptional design, perfect functionality and excellent quality. From preparing and cooking food to dining and drinking – four moments in which the WMF brand sits at the heart of the customer's life. WMF products make cooking a pleasure. From preparing ingredients using kitchen knives with precise cutting performance and cooking with innovative cookware, to dining with stylish cutlery, decanters and table accessories, products from the WMF brand transform all these moments into something special. WMF is a brand within the WMF Group based in Geislingen an der Steige, which has been part of the French Groupe SEB consortium since the end of 2016.
