Declaration of Compliance

for articles made from ceramic intended to come into contact with food

Hereby we confirm that our product:

Item name: Square Springform pan La Forme Plus
Item No.: 23.0063.7266

complies with the legal regulations laid down in the German Commodity Ordinance as well as the Regulation (EC) No 1935/2004 and the Regulation (EC) No 2023/2006, in their relevant versions.

Description (material/optics):
Black square springform pan with non stick coating, bottom enameled, 24cm x 24cm

When used as specified, the migration limits do not exceed the legal limits. The test was performed according to the Directive 84/500/EEC, last amended by 2005/31/EC.

Specification of the intended use or limitations:

– Type(s) of food intended to come into contact with the material:

Any types of food (aqueous, acidic, fatty)

This declaration is valid for the product delivered by us as specified above. Under consideration of the food contact conditions stated, the product complies with the stipulations of these Directives regarding the specified foods. The user shall verify himself that the product is suitable for the intended food beyond the stipulations of the Directives.

The validity of the declaration is ending if the requirements are changed.
